Hot Looks Cool Comfort

OZ**GUARD**
window film

OZGUARD automotive films feature
these exciting benefits

- Every OZGUARD window film is manufactured with quality and pride.
- Up-to-date colours and shades match the latest factory tints adding a stylish, sophisticated look to your car.
- Colours stay sharp and crisp. No chipping. No peeling.
- Superior optical clarity improves driver vision while reducing day and night glare.
- Provides superior heat rejection to keep you cooler and reduce strain on your vehicle's air conditioner.
- Blocks 99% of damaging UV rays, protecting you and your car.
- Helps reduce shattered glass in the event of an accident or attempted robbery.
- Backed by the strongest warranties in the business.

Clear Choice

Carbon™

- Carbon dyed construction provides a great look that will not fade.
- No metal layers that may interfere with mobile, radio, or navigation system signals.
- Provides excellent optical clarity while reducing day and night glare.
- Backed by a lifetime warranty that includes peeling, cracking, adhesive failure and delamination.
